PURPOSE

The purpose of this policy statement is to provide recommendations from the U.S. Departments of Health and Human Services (HHS) and Education (ED) on systematically engaging families[1] in their children’s development, learning, and wellness, across early childhood and elementary education settings.

Families are children’s first and most important teachers, advocates, and nurturers. Strong family engagement is central- not supplemental-- to promoting children’s healthy development and wellness,

"IF AN UNFRIENDLY FOREIGN POWER HAD ATTEMPTED TO IMPOSE ON AMERICA THE MEDIOCRE EDUCATIONAL PERFORMANCE THAT EXISTS TODAY, WE MIGHT WELL HAVE VIEWED IT AS *AN ACT OF WAR.*"

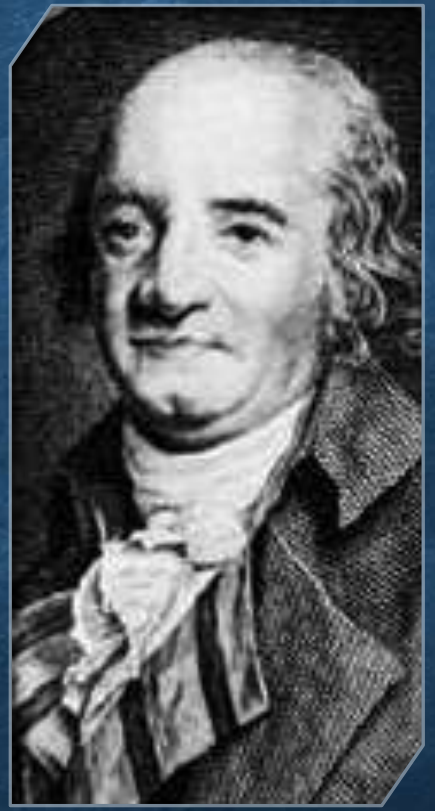
National Education in the United States of America
Dupont De Nemours (1812)



- "Every citizen receives the elementary notions of human knowledge; he is moreover taught the doctrines and the evidences of his religion, the history of his country, and the leading features of its Constitution. In the States of Connecticut and Massachusetts, it is extremely rare to find a man imperfectly acquainted with all these things, and a person wholly ignorant of them is a sort of phenomenon."

- Quaker schools allowed children to attend without fees.
- "The Scottish Presbyterians, the Moravians, the Lutherans, and Anglicans all had their own schools."
- "In addition to these church-related schools, private schoolmasters, entrepreneurs in their own right, established hundreds of schools."

COLONIAL EDUCATION

- Robert Owen, Welsh Utopian, rejected Christianity and private property
- In 1813, wrote "A New View of Society or Essays on the Formation of the Human Character"

WHAT HAPPENED?

- Owen writings arrived in Prussia via ambassador.
- Autobiography: Prussian dictator "so much approved," he ordered national education system based upon it.

- Owen thought education was key

“The great object was to get rid of Christianity... The plan was not to make open attacks on religion although we might belabor the clergy and bring them into contempt where we could; but to establish a system of state, — we said national — schools, from which all religion was to be excluded, in which nothing was to be taught but such knowledge as is verifiable by the senses and to which all parents were to be compelled by law to send their children.

AN ORATION

ON

LIBERAL STUDIES,

DELIVERED BEFORE THE

PHILOMATHIAN SOCIETY,

OF

Mount Saint Mary's College, Md.,

JUNE 29th, 1853.

BY O. A. BROWNSON, L. L. D.

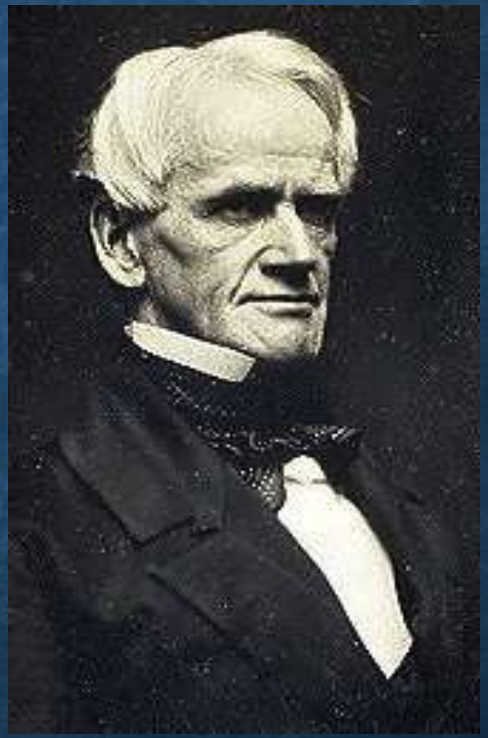
BALTIMORE:
PRINTED BY HEDIAN & O'BRIEN,
32 BALTIMORE STREET
MDCCCLIII.

- "For this purpose, a secret society was formed"
- Modeled on the Carbonari in Europe.
- "The members of this secret society were to avail themselves of all the means in their power, each in his own locality, to form public opinion in favor of education by the state at the public expense, and to get such men elected to the legislatures as would be likely to favor our purposes."
- Brownson knew a "considerable portion of the State of New York was organized" because "I was myself one of the agents for organizing it."

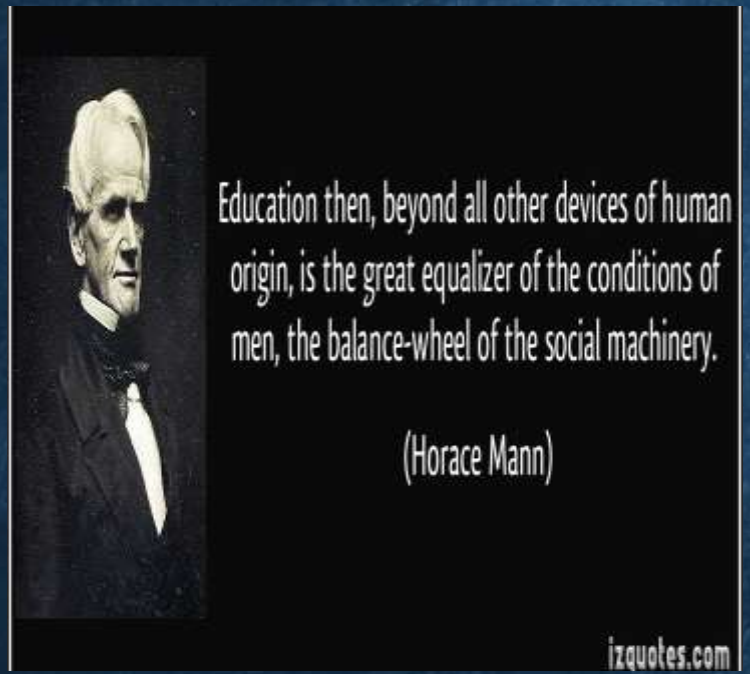
SECRET SOCIETY

What Happened?

- Horace Mann: "The father of American public education."
- Appointed Education Secretary of Massachusetts (first ever in US) in 1837
- Went to Prussia and was very impressed with “Prussian model:” compulsory, government-run, statist schooling with state-trained teachers until age 16.



HORACE MANN



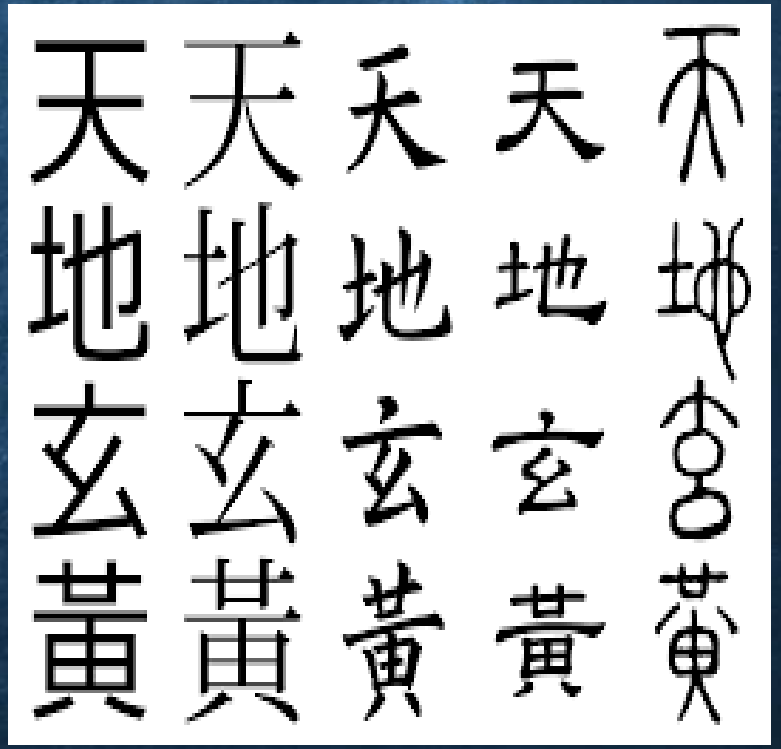
- Thought common education would "equalize men," instill obedience, sought largely secular schools
- Get Bible OUT!
- Promoted Prussian model nationwide

Whole Word vs Phonics

- Mann pushed “whole word method” of reading on Boston-- disaster a few years later
- Method developed in 1830s by Rev. Gallaudet for deaf children
- Whole word, look-say, sight method teaches reading English as Chinese - *memorization* of words
- Our alphabet is phonetic!!!

WHOLE WORD VS PHONICS

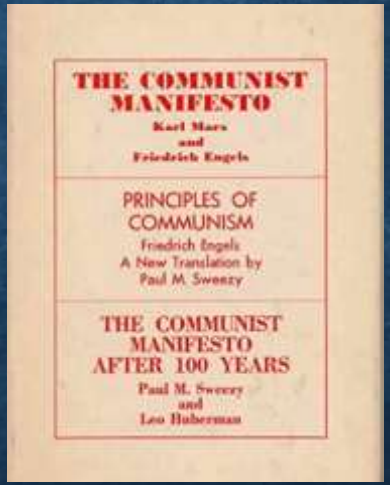
- In 1844, 31 Boston schoolmasters published critique of "new method"
- "...such a change, as that proposed by Mr. Mann and others, is neither called for, nor sustained by sound reasoning."
- Produces dyslexia, reading disability, hatred of reading.
- Failed; largely buried for almost 50 years



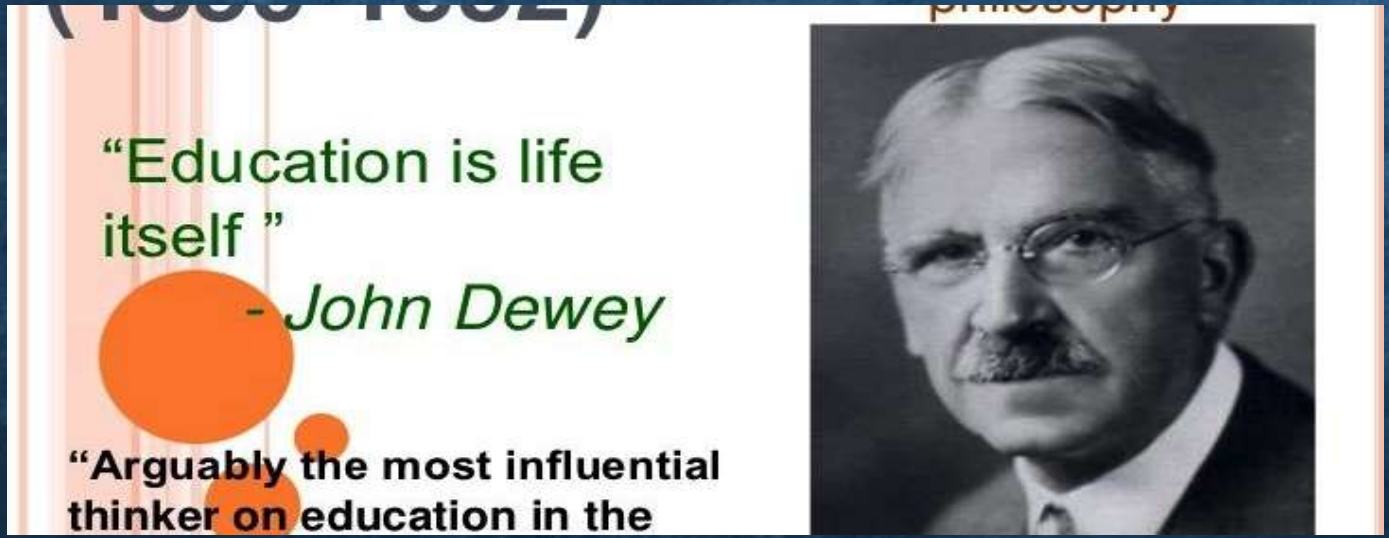
Government Schools

“The education of all children, from the moment that they can get along without a mother's care, shall be in state institutions.”

Karl Marx and Friedrich Engels,
Principles of Communism (1847)

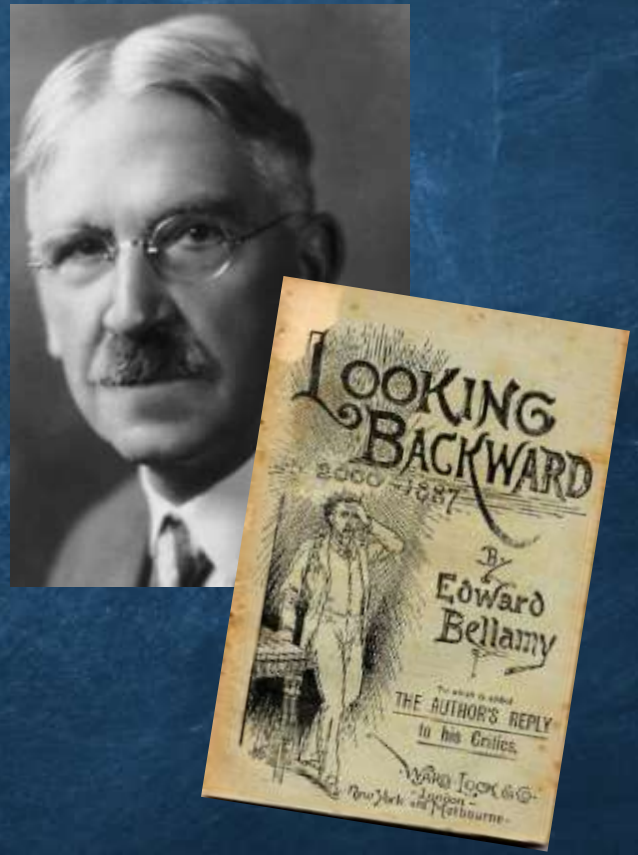


AMERICA: JOHN DEWEY, "FATHER OF PROGRESSIVE EDUCATION," ARCHITECT OF PUBLIC SCHOOLS



John Dewey: Socialist

- With mandatory government schools spreading, Dewey et al. seized control
- Visited Soviet Union's schools under Lenin
- Celebrated “collectivistic mentality” fostered via Soviet “education”
- Cited *Looking Backward* as a model for US
- Wanted "new social order”

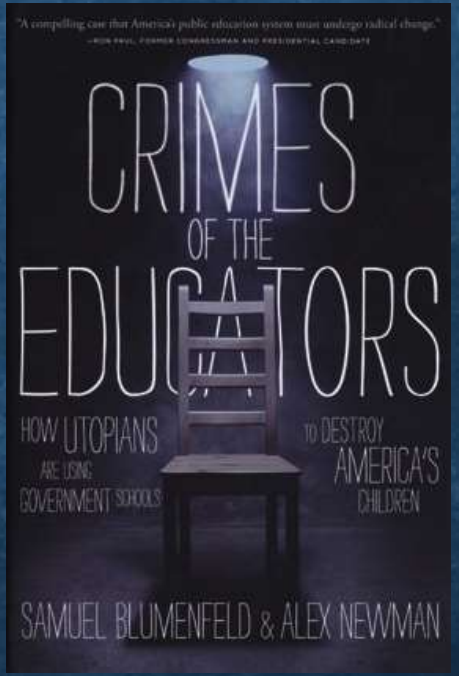


Deliberate Dumbing Down

- Dewey outlined diabolical plan to dumb down students starting in primary school via eroding literacy with whole word method.

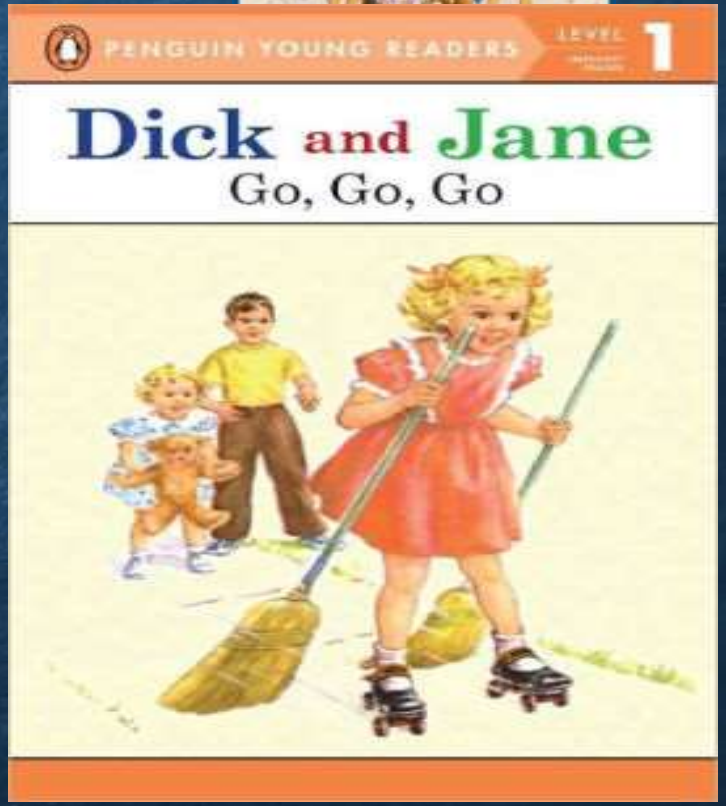
  “Change must come gradually. To force it unduly would compromise its final success by favoring a violent reaction.”

  John Dewey,
  The Primary Education Fetich [sic] 1898.



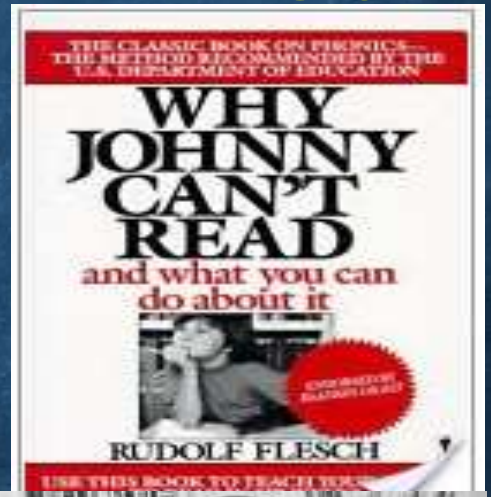
Educating for Change

- Obtained leadership position at University of Chicago
- Later at Teachers' College at Columbia University
- Whole word books *Dick and Jane* emerged at University of Chicago, Macmillan reading program at Teachers College, etc



DEWEY AND "WHOLE WORD" EXPOSED

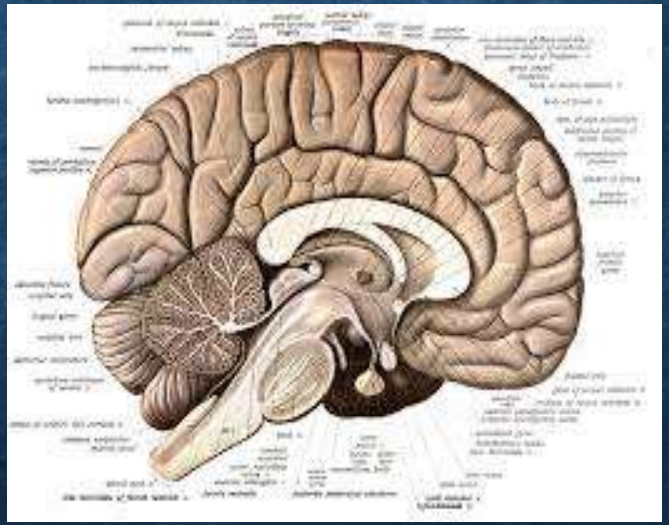
- In 1955 Rudolf Flesch wrote *Why Johnny Can't Read*
- "The teaching of reading—all over the United States, in all the schools, in all the textbooks—is totally wrong and flies in the face of all logic and common sense."



Neuro-Science Exposes Dewey Quackery

Dr. Stanislas Dehaene, director of Cognitive Neuro-Imaging Unit at Saclay, France, in *Reading in the Brain:*

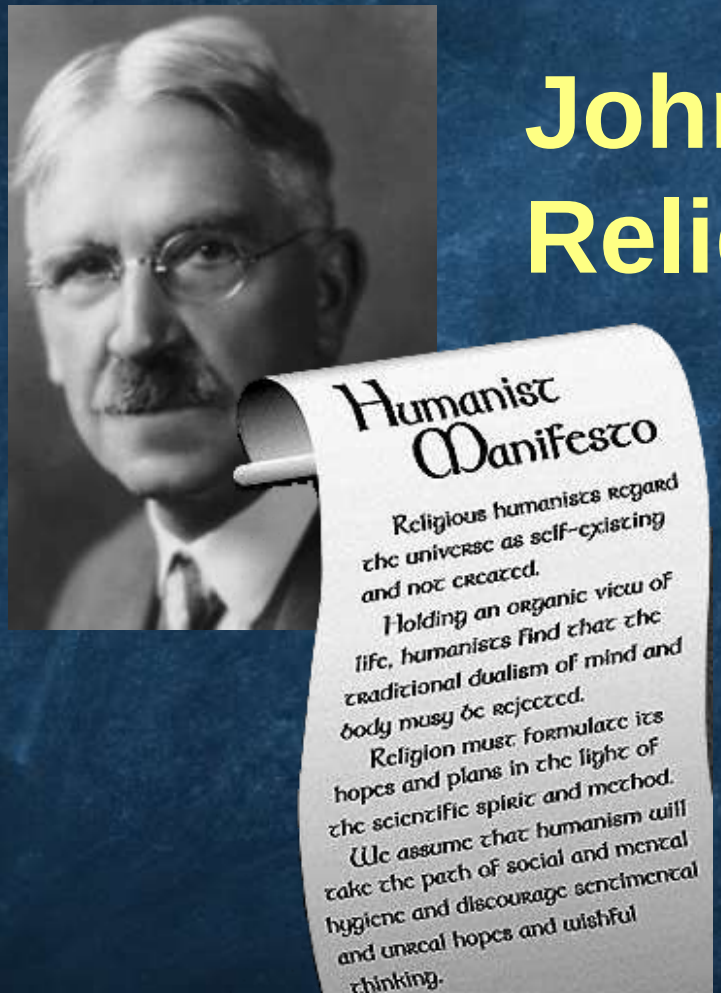
- "Cognitive psychology directly refutes any notion of teaching via a 'global' or 'whole language' method."



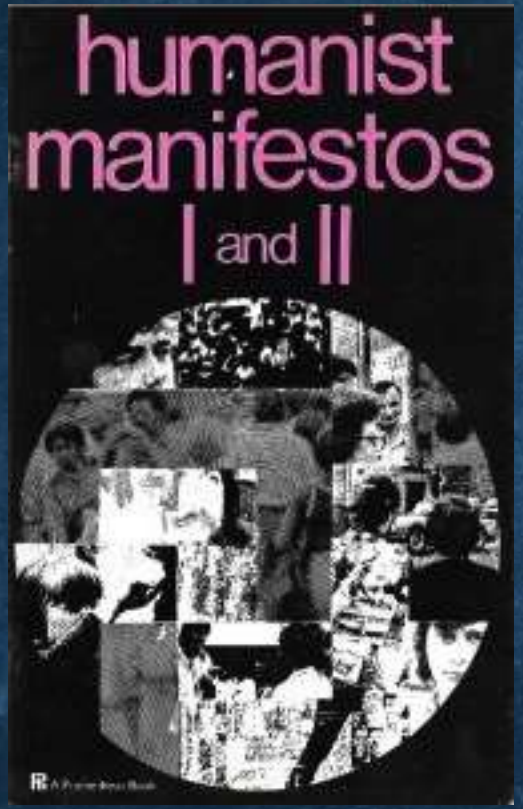
SIGHT WORDS STILL IN U.S. CLASSROOM

- Despite being exposed as quackery ***since 1844***, sight words/whole words STILL used across America.
- Common Core for Kindergarten: “Read common high-frequency words by sight (e.g., the, of, to, you, she, my, is, are, do, does).” CCSS.ELA-Literacy.RF.K.3.c

John Dewey: Religious Humanist



On a Mission

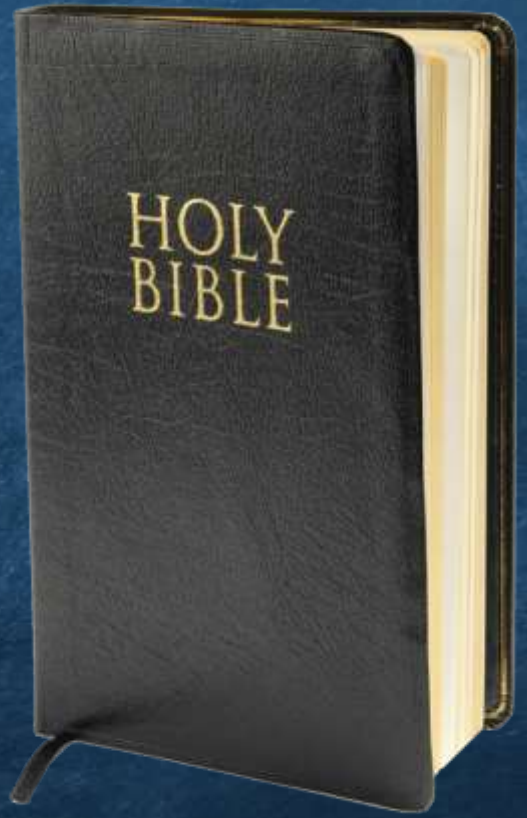


Dewey's *Humanist Manifesto:*

- First Tenet: Religious humanists regard the universe as self-existing and not created.
- Second Tenet: Humanism believes that man is part of nature and that he has emerged as the result of a continuous process…EVOLUTION!

In the beginning God created the heavens and the earth.

Genesis 1:1



IN CONGRESS, JULY 4, 1776.

A DECLARATION

BY THE REPRESENTATIVES OF THE

UNITED STATES OF AMERICA,

IN GENERAL CONGRESS ASSEMBLED.

JOHN HANCOCK, PRESIDENT.

"We hold these **truths** to be **self-evident**, that all men are **created** equal, that they are **endowed by their *Creator*** with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness."

Education is thus a most power ally of humanism, and every public school is a school of humanism. What can the theistic Sunday school, meeting for an hour once a week, and teaching only a fraction of the children, do to stem the tide of a five-day program of humanistic teachings?

WHY EDUCATION?

What God Says:

Train up a child in the way he should go; even when he is old he will not depart from it.

Proverbs 22:6

You shall teach them to your children, talking of them when you are sitting in your house, and when you are walking by the way, and when you lie down, and when you rise.

Deuteronomy 11:19

Fathers, do not provoke your children to anger, but *bring them up in the discipline and instruction of the Lord.*

Ephesians 6:4

The fear of the Lord is the *beginning* of wisdom: and the knowledge of the holy is understanding.

Proverbs 9:10

The fear of the Lord is the beginning of knowledge.

Proverbs 1:7

My people are destroyed for lack of knowledge

Hosea 4:6

"But where the Holy Scriptures are not the rule, I advise no one to send his child. Everything must perish where God's word is not studied unceasingly; and so we see what manner of men there are now in the high schools…. I greatly fear the high schools are nothing but great gates of hell, unless they diligently study the Holy Scriptures and teach them to the young people."

Martin Luther (1483-1546)

"Therefore, every form of teaching children, which, confined to the mere forces of nature, rejects or neglects those matters which contribute with God's help to the right formation of Christian life, is false and full of error."

Pope Pius XI, *The Christian Education of Youth* (1929),

WHAT IS PURPOSE OF EDUCATION?

"Let every student be plainly instructed, and earnestly pressed to consider well, the main end of his life and studies is to know God and Jesus Christ which is eternal life (John 17:3), and therefore to lay Christ in the bottom, as the only foundation of all sound knowledge and learning."

-Harvard's original mission

- "The end then of learning is to repair the ruins of our first parents by regaining to know God aright, and out of that knowledge to love him, to imitate him, to be like him."
  - John Milton (1608–1674)

- Some states now over 20 or even 27.5%
- Homeschooling grew from 3% to 16% among black Americans

HOMESCHOOL/PRIVATE SCHOOLS

Homeschool Facts

- Over 5 million homeschool children in US, growing fast; 8 million have been homeschooled
- Homeschoolers on average in 80th / 90th percentile on standardized tests – regardless of whether mother has high-school diploma – at about 5% of the cost
- Child in government school whose parent has master's degree or a teaching certificate will score 25-30 percent lower on average than homeschooler whose parent has high-school diploma or less.

Homeschool Facts

- Home educators routinely winning spelling bees, science and engineering fairs, etc.
- Universities actively recruiting homeschoolers
- Research shows homeschoolers score much better on all socialization indices than public school counterparts: self-image, problem behaviors, peer dependence, communication skills, interact with all ages.
- Homeschooled adults do better: more college, better jobs, better values
