WHY THE GLOBAL CAMPAIGN TO CRUSH MOTHERHOOD AND FATHERHOOD CAN'T WIN

Kimberly Ells

"A man's masculinity
is not toxic; when
properly applied, it is a
tremendous force
that leads to progress,
protection, production,
and prosperity."

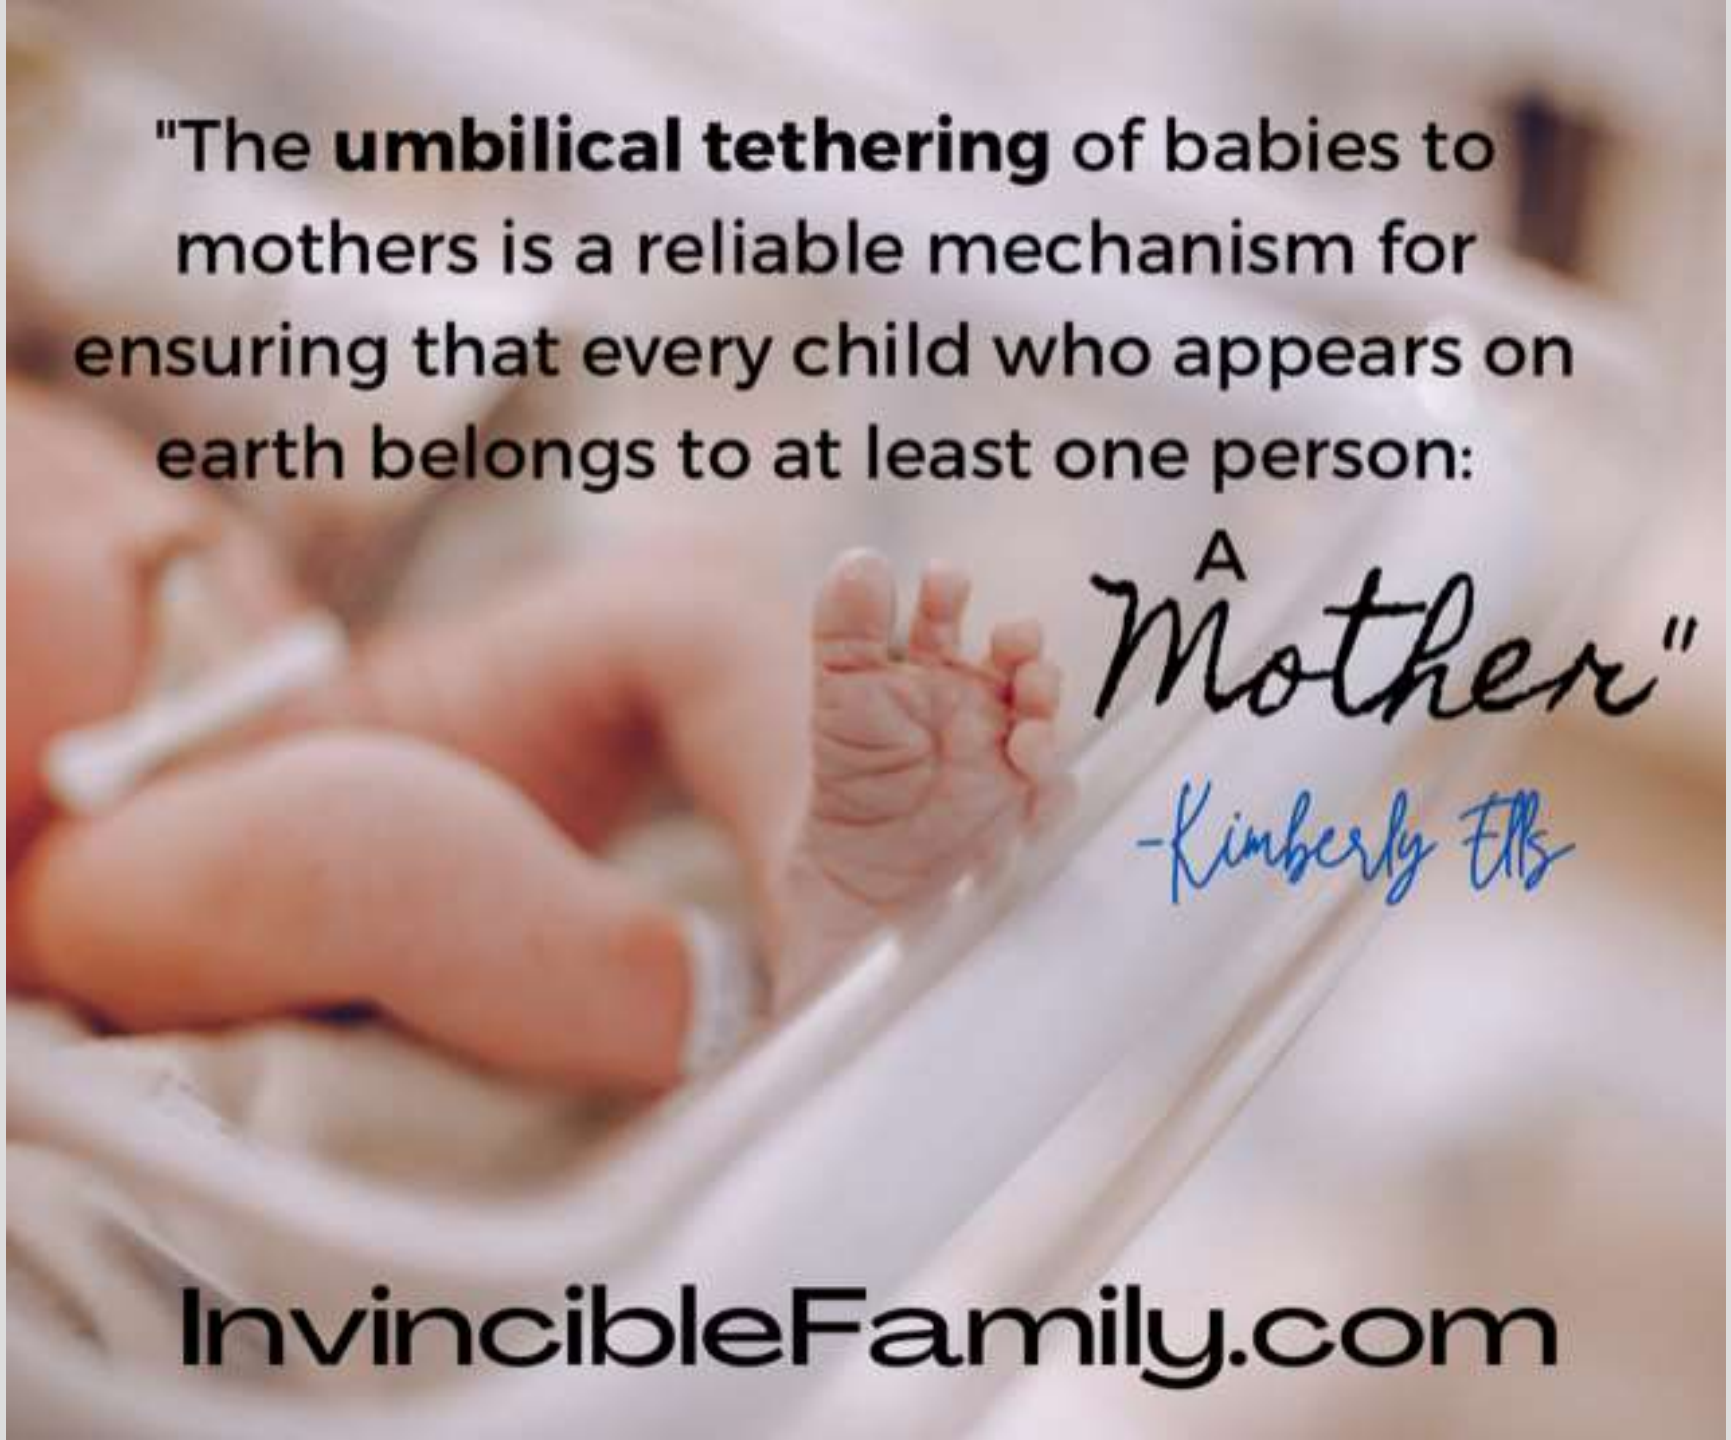
WHY THE GLOBAL CAMPAIGN TO CRUSH MOTHERHOOD AND FATHERHOOD CAN'T WIN

Kimberly Ells

Three Points

1. Why mothers hold the greatest POWER in the world
2. Which social movements seek to usurp family power
3. What we can do about it



"The **umbilical tethering** of babies to mothers is a reliable mechanism for ensuring that every child who appears on earth belongs to at least one person:
A Mother"
-Kimberly Ellis

"Marriage
seeks to ensure that every child is
known and claimed
by the two people who
gave him life."

"He who owns
the youth
owns the future"

"A mother
powerfully impresses
on her child what is right
and wrong, what is true
and untrue, what is noble
and what is detestable;
Mothers establish the
foundational beliefs of
societies, nations, and
the world."

"The woman does not have to conquer anyone, launch any initiatives, raise anyone's taxes, or start a revolution to commandeer the young. They already belong to her."

She who owns the youth
owns the future

"In a society where claiming private property is not recognized as a human right, the

contents of the womb

can be no exception. If a government seeks to own and control all capital, it must seize control over human capital, too. Indeed, this is the most important capital it must seize."

"We know how to
treat each other
'like family'
because we have
families."

What social movements seek to usurp the power of *Mothers & Fathers?*

Socialism
Feminism
Sexual Activism

Anti-family forces have converged on a *global level*

Socialism

Abolish PRIVATE PROPERTY
Abolish the FAMILY

- "The care and education of the children becomes a public affair"
- Women are freed to do "socially productive work"

Feminism

"The complete destruction of traditional marriage and the nuclear family is the revolutionary or utopian goal of feminism."

Kate Millet

The reason past socialist societies have not worked is their “failure to sever the umbilical-cord-tying special connection between women and children.”

Shulamith Firestone

"The end goal of feminist revolution must be...not just the elimination of male privilege, but of the sex distinction itself"

Shulamith Firestone

Sexual Activism
