STOP CSE!

"ANAL"

"SEXUAL RIGHTS"

DID YOU KNOW?

On April 23, 2019, a majority of State Representatives in the MN House **voted to mandate** (H.F. 1414) every Pre K-12 public/charter school to teach "**Comprehensive**" **Sex Ed (CSE)**.

CSE removes all natural and protective boundaries for children and teens, encouraging early **sexual exploration** in graphic detail.

CSE uses **pornographic illustrations** and graphic descriptions to teach children as young as 10 that all "consensual" **sexual activity** is their "right".

CSE allows unlicensed **Planned Parenthood and gender identity activists** into your child's classroom to teach these dangerous and unhealthy practices.

CSE actually grooms children for early sexual activity making them vulnerable targets for sexual abuse, experimentation and trafficking.

CSE teaches kids how to:

- "consent" to sex
- **masturbate**
- experience **climax**
- claim bodily autonomy for **abortion rights**
- promote multiple sexual orientations and **gender identities**
- get referrals for abortion and gender counseling with **no parental involvement** or notification
- have "safe" **vaginal, oral and anal sex**

According to the FBI, sexual predators "groom" children with pornographic images and explicit sexual instruction to remove natural defenses. We call that criminal. Planned Parenthood calls it "education" and says it's perfectly normal.

**ARE YOU OK
WITH THAT?**
