WELCOME TO THE

THEATRE OF THE ABSURD

A male wants to shower beside your 14-year-old daughter.
Are YOU ok with that?

Speak up now!

THEY SAID IT WOULDN'T HAPPEN!

Even though 90% of MN voters support separate private facilities for male and female children, Minneapolis quietly instituted, and St. Paul Schools will vote on (March 17th), a policy to deny boys and girls their physical privacy. Instead, students "self-select" the bathrooms, showers, teams, and locker rooms of their own gender identity choice.

Your child's school may be next!

Urgent!

Call the House Education Committee Members and tell them:

Pass HF1546: The Student Physical Privacy Act!
